

# Preferred Donations List:

**Donations make all our waste diversion efforts possible.**

**Your donation of materials to Urban Repurpose supports our green community initiatives.**

We accept a wide variety of new and used materials from the community and from local retailers, manufacturers and other commercial operations.

**While we appreciate all donations, unfortunately we cannot accept all materials offered.**

***If you don't see what you have listed here or want to discuss a volume donation or a pick up, please call us at (604) 990-5576.***
